B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions (FAQ)	Answers
What's a Special Needs BasicCare (SNBC) plan?	Our plan is part of the Special Needs BasicCare (SNBC) program. This program was designed by the Minnesota Department of Human Services (DHS) to provide special care for people with disabilities ages 18 through 64. Our plan combines your Medicare and Medical Assistance services. It combines your doctors, hospital, pharmacies, home health care, nursing home care, and other health care providers into one coordinated care system. It also has care coordinators to help you manage all your providers and services. They all work together to provide the care you need. Our SNBC program is called AbilityCare.
Will I get the same Medicare and Medical Assistance benefits in AbilityCare that I get now?	You'll get most of your covered Medicare and Medical Assistance benefits directly from AbilityCare. You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team assessment. You may also get other benefits outside of your health plan in the same way you do now, directly from another source, such as the State, county, Federal government, or Tribal nation. When you enroll in AbilityCare, you and your care team will work together to develop an Individualized Care Plan to address your health and support needs, reflecting your personal preferences and goals. If you are taking any Medicare Part D drugs that AbilityCare does not normally cover, you can get a temporary supply and we'll help you to transition to another drug or get an exception for AbilityCare to cover your drug if medically necessary. For more information, call Member Services at the numbers listed at the bottom of this page.

If you have questions, please call AbilityCare Member Services at 1-866-567-7242, TTY 1-800-627-3529 or 711, 8 a.m. to 8 p.m., 7 days a week from October through March, and Monday through Friday from April through September. The call is free. **For more information**, visit www.mnscha.org.

Frequently Asked Questions (FAQ)	Answers
Can I use the same doctors I use now?	This is often the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with AbilityCare and have a contract with us, you can keep going to them. - Providers with an agreement with us are “in-network.” Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. You must use the providers in AbilityCare’s network. If you use providers or pharmacies that aren’t in our network, the plan may not pay for these services or drugs. - If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of AbilityCare’s plan. You may also use out-of-network providers for open access services and in cases when AbilityCare authorizes the use of out-of-network providers. - If you’re currently under treatment with a provider that’s out of AbilityCare’s network, or have an established relationship with a provider that’s out of AbilityCare’s network, call Member Services to check about staying connected. To find out if your providers are in the plan’s network, call Member Services at the numbers listed at the bottom of this page or read AbilityCare’s <i>Provider and Pharmacy Directory</i> on our website at www.mnscha.org. If AbilityCare is new for you, we will work with you to develop a care plan to address your needs.
What’s an AbilityCare care coordinator?	An AbilityCare care coordinator is one main person for you to contact. This person helps to manage all your providers and services and makes sure you get what you need, including the following: - Assisting you in arranging for, getting, and coordinating assessments, tests, and health and long-term care supports and services - Working with you to develop and update your care plan - Supporting you and communicating with a variety of agencies and persons - Coordinating other services as outlined in your care plan

If you have questions, please call AbilityCare Member Services at 1-866-567-7242, TTY 1-800-627-3529 or 711, 8 a.m. to 8 p.m., 7 days a week from October through March, and Monday through Friday from April through September. The call is free. **For more information**, visit www.mnscha.org.

Frequently Asked Questions (FAQ)	Answers
What happens if I need a service but no one in AbilityCare's network can provide it?	Most services will be provided by our network providers. If you need a covered service that can't be provided within our network, AbilityCare will pay for the cost of an out-of-network provider. A prior authorization may be required before getting services from out-of-network providers.
Where's AbilityCare available?	The service area for this plan includes these Minnesota counties: Brown, Dodge, Goodhue, Sibley, Steele, Wabasha, and Waseca. You must live in one of these counties to join the plan. Call Member Services at the numbers listed at the bottom of the page for more information about whether the plan is available where you live.
What's prior authorization?	Prior authorization means an approval from AbilityCare to seek services outside of our network or to get services not routinely covered by our network before you can get the services. AbilityCare may not cover the service, procedure, item or drug if you don't get prior authorization. If you need urgent or emergency care or out-of-area dialysis services, you don't need to get prior authorization first. AbilityCare can provide you or your provider with a list of services or procedures that require you to get prior authorization from AbilityCare before the service is provided. Refer to Chapter 3, of the <i>Member Handbook</i> to learn more about prior authorization. Refer to the Benefits Chart in Chapter 4 of the <i>Member Handbook</i> to learn which services require a prior authorization. If you have questions about whether prior authorization is required for specific services, procedures, items, or drugs, call Member Services at the numbers listed at the bottom of this for help.
Do I pay a monthly amount (also called a premium) as a member of AbilityCare?	No. Because you have Medical Assistance, you won't pay any monthly premiums for your health coverage. However, you must continue to pay your Medicare Part B premium unless your Part B premium is paid for you by Medical Assistance or another third party.
Do I pay a deductible as a member of AbilityCare?	No. You don't pay deductibles in AbilityCare.
What's the maximum out-of-pocket amount that I'll pay for medical services as a member of AbilityCare?	There's no cost-sharing for medical services in AbilityCare, so your annual out-of-pocket costs will be \$0.

If you have questions, please call AbilityCare Member Services at 1-866-567-7242, TTY 1-800-627-3529 or 711, 8 a.m. to 8 p.m., 7 days a week from October through March, and Monday through Friday from April through September. The call is free. **For more information**, visit www.mnscha.org.
