Education on proper medication use and contact with the prescribing physician when necessary. <p>** Medication Management does NOT include a medication set-up in pill trays, medication machines, etc... A medication set-up is considered a skilled nursing task and is not permitted under this covered service.</p> <p><u>Billing for PHNC: Must use both the HCPC and CPT-II code when billing</u></p> <table border="1" data-bbox="435 1570 1463 1942"> <thead> <tr> <th>HCPC/CPT Code</th> <th>Description</th> <th>Unit</th> <th>Qualifying Information</th> </tr> </thead> <tbody> <tr> <td>T1015</td> <td>Clinic visit/encounter, all-inclusive</td> <td>1 visit</td> <td>One visit per date of service</td> </tr> <tr> <td>S9123</td> <td>Nursing care, in the home or place of residence, by PHN or registered nurse</td> <td>1 encounter</td> <td>Although, S9123 is a per-hour service, SCHA allows 1 unit per date of service regardless of the actual time spent providing the service.</td> </tr> </tbody> </table>	HCPC/CPT Code	Description	Unit	Qualifying Information	T1015	Clinic visit/encounter, all-inclusive	1 visit	One visit per date of service	S9123	Nursing care, in the home or place of residence, by PHN or registered nurse	1 encounter	Although, S9123 is a per-hour service, SCHA allows 1 unit per date of service regardless of the actual time spent providing the service.
HCPC/CPT Code	Description	Unit	Qualifying Information										
T1015	Clinic visit/encounter, all-inclusive	1 visit	One visit per date of service										
S9123	Nursing care, in the home or place of residence, by PHN or registered nurse	1 encounter	Although, S9123 is a per-hour service, SCHA allows 1 unit per date of service regardless of the actual time spent providing the service.										

Medicare-certified Agency: Per DHS, if a county Public Health Nurse is providing a Public Health Nursing Clinic visit, the county agency would bill utilizing the S9123 code. The activity determines the billing code, not that it's a public health nurse that works for a county agency that is also Medicare-certified.

CPT-II codes are billed in the procedure code field with a \$125.00 billable charge amount.

CPT Code	Description	Unit	Qualifying Information
1111F	Medication Reconciliation	1 visit	CPT-II codes are billed in the procedure code field with a \$125.00 billable charge amount

Skilled Nurse Visit by Home Health Care Agency

Medication Reconciliation completed during a Skilled Nursing Visit by Home Care Agency

Billing for SNV: Must use both the HCPC and CPT-II code when billing

HCPC/CPT Code	Description	Unit	Qualifying Information
T1030	Skilled Nurse Visit	1 visit	One visit per date of service
G0154	Medicare Home-Bound Status Required	Episodic	Episode based on assessed need

Medication reconciliation is a component of a skilled nurse visit when a member is discharged from the hospital. In order to capture that the task was completed and enhanced payment can be paid, the CPT-II code needs to be billed.

CPT Code	Description	Unit	Qualifying Information
1111F	Medication Reconciliation	1 visit	CPT-II codes are billed in the procedure code field with a \$125.00 billable charge amount

**** For Skilled Nursing Visits (Medicaid and Medicare) Revenue code 0559 must be billed in conjunction to 1111F.**
