

Healthy Pathways Provider Billing Process

Billing Code: G9006

Monthly Rate: \$193.84

Healthy Pathways is an early intervention mental health service that is provided to eligible members who are enrolled in South Country Health Alliance.

Services provided through the Health Pathways program are paid one time per month to eligible providers on a 'per member, per month' (PMPM) basis.

Providers may submit a claim for Healthy Pathways or MH-TCM **once** within the same calendar month.

Providers must submit the South Country Healthy Pathways Notification form with Healthy Pathways Initial Assessment to initiate the start of services. The form and assessment can be faxed to 888-633-4052.

Provider must follow South Country's criteria regarding timelines and documentation requirements.

The Healthy Pathways rate effective July 1, 2015 is \$193.84 per month (per member).

Effective January 1, 2019 provider must bill services for Healthy Pathways to South Country's Third-Party Claims Administrator PrimeWest Health using billing code **G9006**.

Claims must be submitted within 180 days of start of service.
