

\$25 Be Rewarded™ Chlamydia Testing

Chlamydia is an infection that is spread by having sex with one or more infected people. It can also be passed from an infected mother to her baby during childbirth.

Getting tested is important

Most people who have chlamydia show no symptoms, but if left untreated, it can cause serious reproductive and other health problems.

The good news is that chlamydia can be easily cured with the right medicine.

Both the testing and treatment are covered benefits for South Country members. Get tested at your annual exam or any visit to your provider.

Receive a \$25 gift card*

Bring this voucher to your exam and have your provider fill it out. Then mail it to South Country to receive your reward.

Limit of one gift card per calendar year.

MUST be completed by member (fill out each blank):
