

\$25 Be Rewarded™ Child and Adolescent Well-Care Visits (C&TC exam)

Yearly Child and Teen Checkups (C&TC exams) are an important part of keeping your child healthy. These visits are more thorough than a trip to a health care provider for an illness. During a C&TC visit, your provider will check your child's growth and development. They will also make sure your child is up to date on immunizations (shots).

Call your providers office today to schedule a C&TC visit for your 3 to 21 year old child. These visits are a covered benefit for all eligible South Country members. No copay or other charges apply.
