

\$50 Be Rewarded™ Immunizations for Adolescents

It is important for your adolescent to get all of the recommended immunizations (shots). Some of these vaccinations are required for entry into school.

Stay up to date

Scheduling a yearly well-child visit (Child and Teen Checkup) is a good way to ensure your child is on the right track for good health and up to date on immunizations, including the Human Papillomavirus (HPV) immunization. The HPV vaccine is important because it protects against certain cancers caused by HPV infection spread through sexual contact.

Receive a \$50 gift card*

Children who received the complete set of the meningococcal, Tdap, and HPV immunizations from their provider by 13 years of age as recommended by provider are eligible for a \$50 gift card. Bring this voucher to your child's appointment and have the provider fill it out. Then mail it to South Country to receive your gift card.

Must be Completed by Parent or Guardian of Member (Fill out each blank):
