

CMS RECOGNIZES 2 NEW PROVIDER TYPES

The CY2024 Physical Fee Schedule (PFS) final rule issued by the Centers for Medicare & Medicaid Services (CMS) recognizes the following two new provider types effective January 1, 2024:

1. Marriage and family therapist (MFT)
2. Mental health counselor (MHC)

Marriage and family therapists and mental health counselors (including eligible addiction, alcohol, or drug counselors who meet qualification requirements for mental health counselors) are now able to enroll as a Medicare provider and bill for dates of service on or after January 1, 2024.

To [become a Medicare provider](#), you will need to complete the enrollment application using either of the following:

- The electronic-based Medicare [Provider Enrollment, Chain, and Ownership System \(PECOS\)](#)
- The paper [CMS-855I](#) application

Contact your Part B Medicare Administrative Contractor if you need help with the enrollment process.

Providers may choose to opt-out of Medicare (not enroll as a Medicare provider). However, South Country will not pay for services covered by, but not billed to, Medicare because the provider has chosen not to enroll in Medicare.

Please notify the South Country Credentialing department at credentialing@mnscha.org with your Medicare enrollment status at your earliest convenience.
