A. Disclaimers

This is a list of drugs that members can get in SeniorCare Complete and AbilityCare.

- ❖ SeniorCare Complete (HMO SNP) and AbilityCare (HMO SNP) are health plans that contract with both Medicare and the Minnesota Medical Assistance (Medicaid) programs to provide benefits of both programs to enrollees. Enrollment in SeniorCare Complete and AbilityCare depends on contract renewal.
- ❖ You can always check SeniorCare Complete's and AbilityCare's up-to-date *List of Covered Drugs* online at www.mnscha.org or call Member Services at the number listed at the bottom of this page.
- ❖ You can get this document for free in other formats, such as large print, braille, or audio. Call Member Services at the number listed at the bottom of this page. This call is free.
- ❖ To make or change a standing request to get this document, now and in the future, in a language other than English or in an alternate format, call Member Services at the number at the bottom of this page.

B. Frequently Asked Questions (FAQ)

Find answers to questions you have about this *List of Covered Drugs*. You can read all of the FAQ to learn more, or look for a question and answer.

B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the "Drug List" for short.)

The drugs on the *List of Covered Drugs* that starts in Section C are the drugs covered by SeniorCare Complete and AbilityCare. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as "network pharmacies."

- SeniorCare Complete and AbilityCare will cover all medically necessary drugs on the Drug List if:
 - your doctor or other prescriber says you need them to get better or stay healthy,
 - SeniorCare Complete or AbilityCare agrees that the drug is medically necessary for you, **and**
 - you fill the prescription at a SeniorCare Complete and AbilityCare network pharmacy.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs we cover on our website at www.mnscha.org or call Member Services at the number listed at the bottom of this page.

B2. Does the Drug List ever change?

Yes, and SeniorCare Complete and AbilityCare must follow Medicare and Medical Assistance rules when making changes. We may add or remove drugs on the Drug List during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from SeniorCare Complete or AbilityCare before you can get a drug.)

 **If you have questions**, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, refer to question B4.

If you are taking a drug that is covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

Questions B3 and B6 have more information on what happens when the Drug List changes.

- You can always check SeniorCare Complete and AbilityCare's current Drug List online at www.mnscha.org. Updates to the *Drug List* are posted on the website monthly.
- You can also call Member Services at the number listed at the bottom of this page to check the current Drug List.

B3. What happens when there is a change to the Drug List?

Some changes to the Drug List will happen **immediately**. For example:

- **Substitutions of certain new versions of drugs.** We may immediately remove the drugs from the *Drug List* if we replace them with certain new versions of that drug, but your cost for the new drug will remain \$0 with the same or fewer restrictions. When we add a new version of a drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
 - We can make these changes only if the drug we are adding:
 - is a new generic version of a brand name drug, or
 - is a certain new biosimilar version of original biological products on the Drug List (for example, adding an interchangeable biosimilar that can be substituted for an original biological product without a new prescription).
 - Some of these drug types may be new to you. For more information, refer to Section B14.
 - You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or effective or the drug's manufacturer takes a drug off the market, we may immediately take it off the *Drug List*. If you are taking the drug, we will send you a notice. Show the notice to your doctor or other prescriber and ask them about your next steps.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We remove a brand name drug from the *Drug List* when adding a generic drug that is not new to the market, **or**
- we remove an original biological product when adding a biosimilar, **or**
- we change the coverage rules or limits for the brand name drug.

When these changes happen, we will

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you, your doctor, or other prescriber must get authorization from SeniorCare Complete or AbilityCare **before** you fill your prescription. Prior authorization is different from a referral. SeniorCare Complete or AbilityCare may not cover the drug if you don't get prior authorization.
- **Quantity limits:** Sometimes SeniorCare Complete or AbilityCare limits the amount of a drug you can get.
- **Step therapy:** Sometimes SeniorCare Complete or AbilityCare requires you to do step therapy. This means you will have to try drugs in a certain order for your medical condition. You might have to try one drug before we will cover another drug. If your doctor or other prescriber thinks the first drug doesn't work for you, then we will cover the second.

You can find out if your drug has any additional requirements or limits by looking in the table in Section C1. You can also get more information by visiting our website at www.mnscha.org. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception to these limits. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception. Please refer to questions B10-B12 for more information about exceptions.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

B5. How will I know if the drug I want has limitations or if there are any actions required to get the drug?

The table in the List of Drugs by Drug Type in Section C1 has a column labeled “Necessary actions, restrictions, or limits on use.”

B6. What happens if SeniorCare Complete and AbilityCare changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?

In some cases, we will tell you in advance if we add or change prior authorization, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the Drug List change.

B7. How can I find a drug on the Drug List?

There are two ways to find a drug:

- You can search alphabetically, **or**
- You can search by drug type.

To search **alphabetically**, refer to the Index of Covered Drugs section. You can find it in Section E. The Index of Covered Drugs is an alphabetical list of all of the drugs included in the Drug List. Brand name drugs and generic drugs as well as over-the-counter (OTC) are listed in the index.

To search **by drug type**, find the section labeled “List of Drugs by Drug Type” in Section C1. The drugs in this section are grouped into categories by type. For example, if you are taking a medicine for migraines, you should look in the “Antimigraine Agents” category. That is where you will find drugs that treat migraines.

B8. What if the drug I want to take is not on the Drug List?

If you don’t find your drug on the Drug List, call Member Services at the number listed at the bottom of this page and ask about it. If you learn that SeniorCare Complete or AbilityCare will not cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the Drug List that is like the one you want to take. **Or**
- You can ask SeniorCare Complete or AbilityCare to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

B9. What if I am a new SeniorCare Complete or AbilityCare member and can’t find my drug on the Drug List or have a problem getting my drug?

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you are a member of SeniorCare Complete or AbilityCare. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead, or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30-days of medication.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

We will cover a 30-day supply of your drug if:

- you are taking a drug that is not on our Drug List, **or**
- our plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by SeniorCare Complete or AbilityCare, **or**
- you are taking a drug that is part of a step therapy restriction.

If you are taking a drug that SeniorCare Complete or AbilityCare does not consider to be a Part D drug, you have the right to get a one-time, 72-hour supply of the drug.

If you are in a nursing home or other long-term care facility and need a drug that is not on the Drug List or if you cannot easily get the drug you need, we can help. If you have been in the plan for more than 90-days, live in a long-term care facility, and need a supply right away:

- We will cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new SeniorCare Complete or AbilityCare member.
- This is in addition to the temporary supply during the first 90 days you are a member of SeniorCare Complete or AbilityCare.

SeniorCare Complete or AbilityCare will not apply early refill edits that would limit appropriate and necessary actions to Part D drugs by enrollees who experience a level-of-care change. These enrollees will be allowed to obtain a refill of their prescription(s) upon admission to or discharge from a long-term care facility.

B10. Can I ask for an exception to cover my drug?

Yes. You can ask SeniorCare Complete or AbilityCare to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

- For example, SeniorCare Complete or AbilityCare may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

B11. How can I ask for an exception?

To ask for an exception, call your care coordinator or Member Services. Your care coordinator or a member services representative will work with you and your provider to help you ask for an exception. You can also read Chapter 9 section G2 of the *Member Handbook* to learn more about exceptions.

B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we will give you a decision within 72 hours.

Mail: SeniorCare Complete / AbilityCare
200 Stevens Drive
Philadelphia, PA 19113

Fax: Standard Request 1-855-446-7895; Expedited Request 1-855-446-7896

If you have any questions, please call Member services at the number at the bottom of the page.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of getting your prescriber's supporting statement.

B13. What are generic drugs?

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and generally work just as well. They usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA). There are generic drugs available for many brand name drugs. Generic drugs usually can be substituted for brand name drugs at the pharmacy without a new prescription—depending on state laws.

SeniorCare Complete and AbilityCare covers both brand name drugs and generic drugs.

B14. What are original biological products and how are they related to biosimilars?

When we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have forms that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For more information on drug types, refer to Chapter 5 of the *Member Handbook*.

B15. What are OTC drugs?

OTC stands for "over-the-counter." SeniorCare Complete and AbilityCare covers some OTC drugs when they are written as prescriptions by your provider.

You can read the SeniorCare Complete and AbilityCare Drug List in Section D to find out what OTC drugs are covered.

B16. Does SeniorCare Complete and AbilityCare cover non-drug OTC products?

SeniorCare Complete and AbilityCare covers some non-drug OTC products when they are written as prescriptions by your provider.

Examples of non-drug OTC products include THICK NOW ORAL POWDER and VASELINE GEL.

You can read the SeniorCare Complete and AbilityCare drug list in section D to find out what non-drug OTC products are covered.

B17. Does SeniorCare Complete and AbilityCare cover long-term supplies of prescriptions?

90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

B18. What is my copay?

SeniorCare Complete and AbilityCare members have no copay for prescription drugs as long as the member follows the plan's rules. Refer to questions B15 and B16 for more information about OTC drugs and non-drug products.

Tiers are groups of drugs on our Drug List. All tiers have no copays.

- Tier 1 Generic drugs have a \$0 copay.
- Tier 1 Brand drugs have a \$0 copay.
- OTC drugs have a \$0 copay.

In Section C1, the tiers are listed as T1 Generic and T1 Brand.

If you have questions, call Member Services at the number at the bottom of this page.

C. Overview of the *List of Covered Drugs*

The *List of Covered Drugs* gives you information about the drugs covered by SeniorCare Complete and AbilityCare. If you have trouble finding your drug in the list, turn to Index of Covered Drugs in Section D. The index alphabetically lists all drugs covered by SeniorCare Complete and AbilityCare.

Note: "OTC" in the tier column next to a drug means the drug is not a "Part D drug." These drugs have different rules for appeals.

- An appeal is a formal way of asking us to review a decision we made about your coverage and to change it if you think we made a mistake.
- For example, we might decide that a drug that you want is not covered or is no longer covered by Medicare or Medical Assistance.
- If you or your prescriber disagrees with our decision, you can appeal. If you ever have a question, call Member Services at the numbers listed at the bottom of this page.
- You can also read Chapter 9 of the *Member Handbook* to learn how to appeal a decision.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.

C1. List of Drugs by Drug Type

The drugs in this section are grouped into categories by type. For example, if you are taking a medicine for migraines, you should look in the “Antimigraine Agents” category. That is where you will find drugs that treat migraines.

Here are the meanings of the codes used in the “Necessary actions, restrictions, or limits on use” column:

B/D = This prescription drug has a Medicare Part B versus Medicare Part D administrative prior authorization requirement. This drug may be covered under Medicare Part B or Medicare Part D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.

QL = Quantity Limit. For certain drugs, SeniorCare Complete and AbilityCare limit the amount of the drug that we will cover. For example, the plan provides twelve tablets per 30-day supply.

ST = Step Therapy. In some cases, SeniorCare Complete and AbilityCare requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, the plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, the plan will then cover Drug B.

PA = Prior Authorization. SeniorCare Complete and AbilityCare requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from the plan before you fill your prescriptions. If you don't get approval, the plan may not cover the drug.

LA = Limited Availability. This prescription may be available only at certain pharmacies. For more information, please contact Member Services at the number listed at the bottom of this page.

The first column of the table lists the name of the drug. Generic drugs are listed in lower-case italics (e.g., *warfarin*), brand name drugs are capitalized (e.g., CHANTIX), and OTC drugs and products are listed in lower case (e.g., aspirin). The information in the “Necessary actions, restrictions, or limits on use” column tells you if SeniorCare Complete and AbilityCare has any rules for covering your drug.

If you have questions, please call SeniorCare Complete and AbilityCare at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours are 8 a.m. to 8 p.m. Monday – Friday (*April – September*); 8 a.m. to 8 p.m., 7 days a week (*October – March*). The call is free. **For more information**, visit www.mnscha.org.
